

TRAVEL NETWORK PRIVATE LIMITED

Certificate of Appreciation

Hiz Travel Network Pvt. Ltd is an IATA accredited company and is approved by Ministry of Tourism, Government of India. Being in Travel and Tourism Industry from 13 years, we are specialized in Corporate and Business Travel, Luxury Tours, Study Tours, Incentive trips etc.

We had customized a Dubai package to one of our known client with his family last year and he promised to pay the pending amount of INR 50,800/- after once return from the trip. The client refused to make the payment even after the regular follow ups.

It was Ranganath Mysore who was a game changer. While discussing the matter during the recent BNI meeting, Mr.Ranganath suggested me that he will send a notice from his end to the client. So immediately after the receival of the notice the client rushed to our office to make the settlement. The yearlong follow up was finally fruitful due to the interference of Mr.Ranganath.

Your knowledge and interest will always make us feel valued. We do not have any hesitation in recommending **Ranganath Mysore** to others as well and without a doubt, you will continue to have success in all areas.

Wishing you all the best in future

Yours Sincerely
