

**TO WHOM SO EVER**

We at Mahaveer Printers are into the business of Printing & Packaging since 1967. We had referred Mr. Ranganath Mysore from Roots Cyber Law Firm to our one of our customer Sudhir Jena of TradePass for there Companies Legal Documentation. Before they hired Mr. Ranganath Mysore from Roots Cyber Law Firm they had many legal issues in there companies policy, international documentation for there overseas clients and other legal problems. My client said me now they have a family doctor for all there legal issues and there company is SECURED now. They can now easily do business and for all other legal issue ROOTS CYBER LAW FIRM is there to take care of it.They have no hesitation in recommending Mr. Ranganath Mysore from Roots Cyber Law Firm. They wish them ALL THE BEST for there future success.
