

www.Materialekart.com is Market place for construction materials. We are one stop solution for all construction materials supply. We are one of the leading e-com website in construction materials supplies in Bangalore.

As a company, we have few credit sales and one of the customers from Mumbai is not willing to pay Rs.3.5 lakhs since we have abused them with rigorous follow up with their team. Then we approached Mr. Ranganath Mysore of Roots Cyber Law Firm for cheque bounce case. He sent legal notice, immediately on receiving the notice they are ready to make the payment on instalment basis, we have already received Rs.50,000/- rest of the amount they are paying in few days.

We, at materialkart.com team take this opportunity to thank Mr. Ranganath Mysore of Roots Cyber Law Firm for providing such a commedable service. We strongly recommend Roots Cyber Laws for all legal needs of my customers & supplier and we wish them more success in coming days.
